# DECORATIVE GLASS RANGE

# INTRODUCING OUR DECORATIVE GLASS RANGE

Express your individual style while allowing maximum light into your home with our Decorative Glass. Our range of traditional and contemporary styles have been carefully selected to suit all property types, from traditional thatched cottages to Victorian villas. This comprehensive range gives you the ability to maintain privacy providing the optimum blend of form and function.

Whether it's for privacy, pure style or to allow more light into your rooms, Pilkington Glass gives you a stylish range of attractive options. The advantages of Pilkington Texture Glass are easy to see too. Not only does it allow maximum light in, while maintaining your chosen level of privacy or obscuration, but it also makes an attractive, decorative feature itself. With the broad

range of original patterned designs, plus our Pilkington Oriel etched glass options, there are now even more design possibilities, all with the quality you'd expect from one of the most recognised and trusted glass brands. There really is no better decorative glass choice for your home. All designs are available in Toughened or Laminated for safety and security.

This publication provides only a general description of the products. Further, more detailed, information may be obtained upon request.

It is the responsibility of the user to ensure that the use of these products is appropriate for any application and that such use complies with all the relevant legislation, standards, codes of practice and other requirements.

## PREMIUM ETCHED GLASS (ADDITIONAL COST)

Our exciting, high end decorative etched glass offers excellent light transmission whilst still providing maximum privacy at level 5.

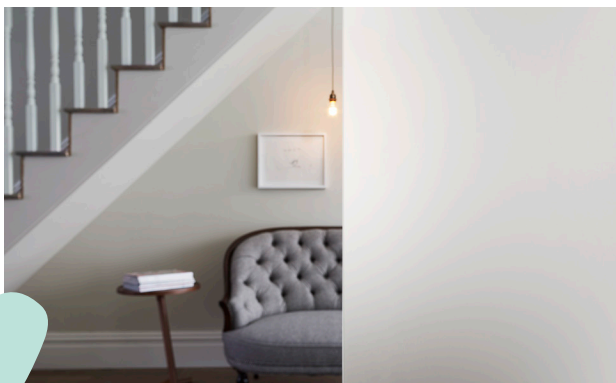

Canterbury Opal mimics the traditional designs typically found in period properties with the Optifloat Opal more commonly found in contemporary homes.

Our etched designs are both functional and attractive, lending themselves to a wide variety of applications.

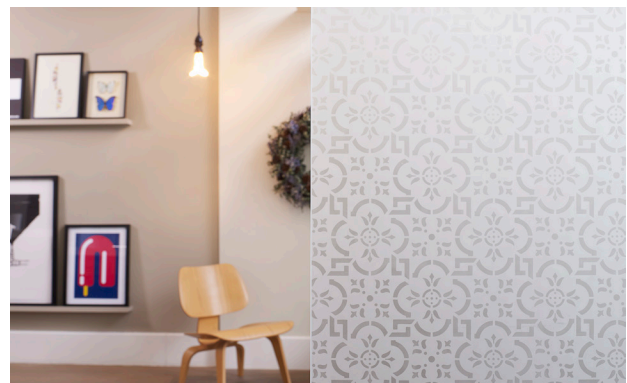

Each of the etched options are available Toughened or Laminated for safety and security.

\*Please note the etched range is suitable for double or triple glazing only.
